### Cornflower Blue | Invincible

**CORNFLOWER BLUE** are Trevor May and Theresa McInerney, and their band Deanna (violin), Dosh (bass), and Ralph (drums). They have been playing and recording together for over 17 years. They have charted in the top 100 and released three albums, the most recent being "Invincible".

Rootsy arrangements, thoughtful lyrics, stunning harmonies, and hot guitar/violin duels have led people to compare Cornflower Blue to other female/male musical partnerships like Linda and Richard Thompson, and Emmylou Harris and Gram Parsons. They are good people, too.

But never mind all that that. Here's what other people are saying:

*"This is a follow up that doesn't disappoint but rather reinforces my faith in Cornflower Blue and the road they are taking... Like most really good albums, it's over before you know it, leaving you wanting a bit more. I for one eagerly look forward to their next offering".*

- Rapid River Magazine

*"Cornflower Blue are extremely talented musicians and writers. They have a sweet grasp of classic sounds, and know how to bring a contemporary spin to everything, making "Invincible" a set to which we can all relate"*

- Sheryl and Don Crow, The Nashville Blues Society

*"Cornflower Blue break out of the standard roots pack with good songs, great guitars and that sublime fiddle. A little bit Bottle Rockets, a bit of Sugar, mixed with a healthy dose of twang make Invincible a can't miss. That's an order!"*

- James Mann, Ink 19
